

## PERSONAL INFORMATION:

**Full Name:** [Saeed Hassani](#)

**Nationality:** [Iranian](#)

**Academic Level:** [Professor](#)

**Cell:** [+989111756671](#)

**E-mail:** [hasani@gau.ac.ir](mailto:hasani@gau.ac.ir)

## Current Affiliation:

Department of Animal and Poultry Breeding & Genetics, Faculty of Animal Science, Gorgan University of Agricultural Sciences and Natural Resources, Gorgan, Iran.

## EDUCATION:

### VISITIN SCIENTIST

Iowa State University, Ames, Iowa, USA  
Genomic Selection in Beef Cattle (2013)

**Ph.D.** (Animal Breeding and Genetics)

University of Agricultural Sciences, Bangalore, India (2000)

**Thesis:** Genetic Analysis of Productive and Reproductive Traits in Friesian × Sahiwal Crossbred Dairy Cattle (Prof. M.G. Govindaiah)

**M.Sc.** (Animal Breeding and Genetics)

Islamic Azad University Karaj Branch, Karaj, Iran (1993)

**Thesis:** Estimation of Genetic and Phenotypic Parameters and Study of the Effects of Some Genetic and Environmental Factors on Fleece Characteristics of Lori-Bakhtiari Sheep (Prof. M.A.Edriss)

**B.Sc.** (Animal Science)

Ferdowsi University of Mashhad, Mashhad, Iran (1990)

## RESEARCH INTERESTS:

Quantitative Genetics, Genomic selection in beef and dairy cattle, Estimation of genetic parameters for economic traits in different purebred and crossbred animals, Association between molecular markers and economic traits in different classes of animals, Statistical consultation to all researchers in agricultural sciences particularly those involved in animal nutrition and animal physiology.

## SKILLS:

- Strong knowledge of statistical analysis, theory and methodology, interpretation and evaluation
- Long time experience in working with statistical software such as SAS and SPSS and R
- Demonstrated skill in working with data from all agriculture fields particularly animal science
- Long time experience in working with Microsoft office program (Excel, Word, Access, etc.)
- Experience in working with variance component estimation's software (WOMBAT)
- Experience in working with GenSel software for genomic predictions
- Experience in working with Linux programming

## PUBLICATIONS:

### Books (Translation from English into Persian)

- 1) Schaeffer, L.R.**1993**. Variance Component Estimation Methods. University of Guelph, Guelph, Ontario, Canada. (Translated by: **S.Hassani**, and R. Halabian)
- 2) McCullough, M.E.**1993**.Feeding Dairy Cows. Hoards Dairyman (Translated by A.Aslaminejad, and **S.Hassani**).
- 3) Van Horn, H.H. and Wilcox, C.J.**1992**.Large Dairy Herd Management. University Press of Florida (Translated by :A.Naserian, N.Farzaneh,**S.Hassani**, and M.Bashteni)
- 4) Bearden, H.J. and Fuquay, J.W.**1984**.Applied Animal Reproduction.2nd edn.Reston Publishing Company, Reston, VA. (Translated by :M.Hashemi, and **S.Hassani**)

### Refereed National and International Journal Articles

- Rayeji Yanesari, F., **Hassani, S.**, & Najafi, M. (**2023**). Identification of different allelic forms of myostatin gene and investigation of body weight and carcass biometric traits measured by ultrasound in Kurdi sheep. *Journal of Ruminant Research*, 11(1), 37–54.

## ACADEMIC TEACHING EXPERIENCES:

### B.Sc. COURSES

Probability and Statistics, Genetics, Principal of Animal Breeding, Applied Animal Breeding, Experimental Design, English for the Animal Science

### M.Sc. COURSES

Linear Models in Animal Breeding, Quantitative Genetics, Population Genetics, Advanced Animal Breeding, Advanced Biostatistics, Animal Breeding Softwares, Research Methodology

### Ph.D. COURSES

Advanced Experimental Design in Animal Science, Nutrigenomics

## SERVICE AND PROFESSIONAL MEMBERSHIP:

Iranian Society of Animal Science

Iranian Genetics Society

**AWARDS:**

Best Teacher Award

**LANGUAGES:**

Persian, English

*Gorgan University of Agricultural  
Sciences & Natural Resources*
