

PERSONAL INFORMATION:

Full Name: HAMID NIKNAHAD GHARMAKHER

Nationality: Iranian

Academic Level: Associate Professor

Cell: 00989111769700

E-mail: niknahad@gau.ac.ir

EDUCATION:

PhD., Agronomy and Environment, University of Agroparis Tech, Paris, France. 2008

Dissertation: Sulphur Mineralization During Decomposition of Organic matters in Soil and its Relationships with C and N Dynamics.

M.Sc., Rangeland Management, Tarbiat Modares University, Tehran, Iran, 2002

Thesis: Effects of Haloxylon plantation on some soil properties and vegetation cover in Hossainabad-Qom.

B.Sc., Rangeland and Watershed Management, Tehran University, Tehran, Iran, 2000

RESEARCH INTEREST:

Restoration Ecology

PUBLICATION:

ENGLISH PUBLICATIONS

1. Kiyasi,Y., Forouzeh, M.R., Mirdeilami, S. Z. and **Niknahad-Gharmakher, H.** 2023. Ethnobotanical study of medicinal plants used by Qizilbash Tribe in North of Iran. Environmental Resources Research, 11(2): 243-260.

28. Aslani. F., **Niknahad, H.**, Fattahi, B.and Akbarloo, M. 2013. An investigation on the effects of soil factors on the distribution and density of two unwanted species of *Rosa persica* and *Euphorbia macrooclada* in Lashgardar rangelands of Hamedan province. Journal of Plant Ecosystem Conservation, 1 (2): 43-58.
29. **Niknahad-Gharmakher,H.** and Maramaei, M. 2011. Effects of land use changes on soil properties (Case Study: the Kechik catchment). Journal of Soil Management and Sustainable Production, 1 (2): 81-95.

ACADEMIC TEACHING EXPERIENCE:

Sustainable Management of Rangeland Soils (PhD degree), Seed Ecology (PhD degree), Biological Control of Erosion (PhD degree), Natural Ecosystem Engineering (M.Sc. degree), Rangeland Plantation (M.Sc. degree), Seeds of rangeland plants (M.Sc. degree), Relationship between Water, Soil and Plant (B.Sc. degree), Rangeland Improvement and Development (B.Sc. degree), Cultivation and propagation of rangeland plants (B.Sc. degree).

AWARDS:

- 1- Certificate of appreciation from the Ministry of Science, Research and Technology of Iran for the selected project of communication with society and industry (2022).
- 2- Graduation in PhD degree with highest honor (2008).
- 3- Scholarship to study abroad for PhD degree from Ministry of Science, Research and Technology of Iran, 2004-2008.
- 4- Graduation in M.S degree with highest honor (2002).

LANGUAGES:

French - English
